Sports

From the first drop of sweat in August to the last piece of mud scraped from their cleats in November, the spirit of the 1962-63 OLV football team remains tuned to a high pitch. The long hours of practice are momentarily forgotten when the first Viking squad to play under the lights of inter-state competition, runs out on the field. The endless repetition and constant practice pay off in the end with the tremendous ability and power which are exhibited by the Vikings.

Coach Tyson discusses a Point of Order with officials.

The first and at the same time the last boys to be awarded the Varsity "V" for their excellence and effort on the court do not earn their letter by singular effort. The whole team has to work together as one if the game is to end with the final tally showing our team on top. The tremendous effort exhibited by our unified squad illustrates the Vikings' superiority on the court. This year the Vikings has a spirit which enables the team to rise up and drive on to smash old records and establish new traditions for later teams to follow.

GIFTS OF THE HOLY SPIRIT
BAPTISM

The Class of '63 is unique in that it is the only class for both divisions to graduate under the patronage of Our Lady of Victory. Even though the time spent in the unfamiliar surroundings was short it was significant, for the Seniors were pioneers in beginning purposeful traditions.

Through well organized student councils and leadership in all fields of activity, the Seniors established themselves as the pace setters of the school. Having been accepted and appreciated by the entire student body, the Seniors now leave O. L. V. well equipped to meet the new challenge of college, business or homemaking.

A10 Class Officers: Sally Shaw, President; Pam Kellenberger, Vice-President; Patty Platt, Secretary; Barbara Grewe, Treasurer.
